

March 15, 2020

Official statement from CanFURence's Board of Directors

Our Board of Directors would like to acknowledge the current concerns regarding Covid-19, as many conventions have needed to make difficult decisions recently. Although our convention is still several months away, this update was necessary given the circumstances, and because health and safety are always our top priorities.

We are closely monitoring the situation and will continue to work "full steam ahead" to bring furry fun to Ottawa this July 31st - Aug 2nd, 2020. As such, we will ensure that we do so with the most up-to-date information and recommendations from Ottawa Public Health, as well as our provincial and federal health authorities.

As always, please keep an eye on our official social media for any and all updates pertaining to our convention;
